Summary of Legislation: (Amended) This bill has the following provisions:

Procedure for a Certificate of Salvage Title: The bill specifies procedure for application and issuance of a certificate of salvage title under certain circumstances. This bill repeals and relocates language relating to the fee for the issuance of a salvage title. The bill specifies that the revenues collected from the issuance of salvage titles shall be deposited in the Motor Vehicle Highway Account (MVHA).

Class D Infraction: This bill makes it a Class D infraction for a person who fails to comply with certain requirements concerning certificates of title and certificate of salvage title on salvage motor vehicles

The bill also makes conforming amendments.

Effective Date: July 1, 2006.

Explanation of State Expenditures:

Explanation of State Revenues: *Penalty Provision:* The bill provides for a Class D infraction for failure of an insurance company to follow certain procedures relating to the issuance of a certificate of salvage title. If additional court cases occur and infraction judgments and court fees are collected, revenue to the state General Fund may increase. The maximum judgment for a Class D infraction is \$25, which is deposited in the state General Fund.

If court actions are filed and a judgment is entered, a court fee of \$70 would be assessed, 70% of which would

be deposited in the state General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court.

Explanation of Local Expenditures:

Explanation of Local Revenues: *Penalty Provision:* If additional court actions are filed and a judgment is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$70 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
